

**PROPOSED REGULATION OF THE
STATE DEPARTMENT OF AGRICULTURE**

LCB File No. R088-15

DIVISION OF FOOD AND NUTRITION

**NOTICE OF INTENT TO ACT UPON A REGULATION
And
NOTICE OF HEARING FOR THE ADOPTION OF REGULATIONS**

The Nevada Department of Agriculture will hold a public hearing on November 18, 2015 at 10:30 am, at Agriculture Headquarters, 405 South 21st Street, Sparks, NV 89431; Phone: (775) 353-3601. The purpose of the hearing is to receive comments from all interested persons regarding the Amendment of regulations that pertain to chapter 583 of the Nevada Administrative Code. The proposal has been designated as File No. R088-15 by the Nevada Legislative Counsel Bureau.

The following information is provided pursuant to the requirements of NRS 233B.0603:

The purpose is to solicit public comments from interested persons on the following proposed regulation: *NAC 583; a regulation relating to the regulations necessary to license Craft Food operations; and providing other matters properly relating thereto.*

1. These regulations create a Craft Food Industry that does not presently exist. Participation is voluntary and should generate a profit for those who choose to participate.
2. The proposed regulations specify the training, testing, licensing, recipes and other pertinent information required to establish a craft food industry packaging acidified foods.
3. These regulations should have a positive economic impact. While there is a fee to train, test and register, becoming a registered Craft Food Producer allows the registrant to sell acidified foods for a profit.
4. The estimated cost to the agency for enforcement of the proposed regulation. It is estimated that it will cost the Department \$110.00 per registrant. We anticipate fewer than 100 registrants.
5. A description of and citation to any regulations of other state or local governmental agencies which the proposed regulation overlaps or duplicates and a statement explaining why the duplication or overlapping is necessary. If the proposed regulation overlaps or duplicates a federal regulation, the notice must include the name of the regulating federal agency. **Does not apply.**

6. If the regulation is required pursuant to federal law, a citation and description of the federal law. **Does not apply**
7. If the regulation includes provisions which are more stringent than a federal regulation that regulates the same activity, a summary of such provisions. Does not apply
8. The proposed regulation establishes a new fee. SB 441 creates a 3 year registration. We anticipate the revenue to be approximately \$3500.00 per year based on about 100 registrants. The money will be used to offset the Department's cost to train, test and register applicants and to approve recipes.

A concerted effort was made to determine the impact of the proposed regulation on small businesses. Division staff determined that this regulation will not have an effect on small businesses.

The LCB approved revision can be found on the Nevada Department of Agriculture website at www.agri.nv.gov.
