

**PROPOSED REGULATION OF THE DIRECTOR OF  
THE STATE DEPARTMENT OF AGRICULTURE**

**LCB File No. R093-15**

DIVISION OF PLANT INDUSTRY

**NOTICE OF INTENT TO ACT UPON A REGULATION  
And  
NOTICE OF HEARING FOR THE ADOPTION OF REGULATIONS**

The Nevada Department of Agriculture will hold a public hearing on Wednesday, January 20, 2016, 1:00 pm, at the University of Nevada Cooperative Extension locations in Reno, Elko and Las Vegas; Phone: (775) 353-3601. The purpose of the hearing is to receive comments from all interested persons regarding the Amendment of regulations that pertain to chapter 555 of the Nevada Administrative Code. The proposal has been designated as File No. R093-15 by the Nevada Legislative Counsel Bureau.

The following information is provided pursuant to the requirements of NRS 233B.0603:

The purpose is to solicit public comments from interested persons on the following proposed regulation: *NAC 555; a regulation relating to amend the pesticide regulations to protect the public and the environment; and providing other matters properly relating thereto.*

1. The need for and the purpose of the proposed regulation or amendment.
  - To amend the pesticide regulations to protect the public and the environment.
2. Either the terms or the substance of the regulations to be adopted, amended or repealed, or a description of the subjects and issues involved.
  - We have proposed a significant number of changes but we have concluded that these regulations will have little or no impact on small businesses because they have been written with offsetting provisions that effectively eliminate additional costs or effort by the pesticide operations
3. The estimated economic effect of the regulation on the business which it is to regulate and on the public.
  - The regulations will impose little, if any, net economic impact on small businesses
4. The estimated cost to the agency for enforcement of the proposed regulation.
  - We do not anticipate any increased cost due to these regulations
5. A description of and citation to any regulations of other state or local governmental agencies which the proposed regulation overlaps or duplicates and a statement explaining why the duplication or overlapping is necessary. If the proposed regulation overlaps or

duplicates a federal regulation, the notice must include the name of the regulating federal agency.

- Does not apply
6. If the regulation is required pursuant to federal law, a citation and description of the federal law.
    - Does not apply
  7. If the regulation includes provisions which are more stringent than a federal regulation that regulates the same activity, a summary of such provisions.
    - Does not apply
  8. Whether the proposed regulation establishes a new fee or increases an existing fee.
    - While there is a small fee increase, we have eliminated revenue from Manual sales. We expect the net effect to be \$0.00 and are not planning on expendable net revenue.

A concerted effort was made to determine the impact of the proposed regulation on small businesses. Division Administrative staff determined that this regulation will have little or no impact on small businesses.

The LCB approved revision can be found on the Nevada Department of Agriculture website at [www.agri.nv.gov](http://www.agri.nv.gov).
