A description of how comment was solicited from affected businesses, a summary of their response and an explanation of how other interested persons may obtain a copy of the summary:

In accordance with NRS 233B.0608, the Commission staff analyzed whether the proposed regulation could cause any small business any economic burden and determined that the regulation mainly affected licensees from a clinical perspective.

If the regulation was adopted without changing any part of the proposed regulation, a summary of the reasons for adopting the regulation without change:

Minor changes were adopted with the proposed regulation to clarify intent.

The estimated economic effect of the regulation on the business which it is to regulate and on the public. These must be stated separately, and in each case must include:

1) Both the adverse and beneficial effects; and

No adverse effects upon small business are anticipated and none have been brought to the Board's attention. Beneficial effects include an increased ability to hire licensed clinicians at a more frequent rate than is currently possible, thereby augmenting workforce and expanding care to citizens.

2) Both immediate and long-term effects

The immediate and long-term effects are similar in that an anticipated burgeoning behavioral healthcare workforce will bolster Nevada's overall economy with clinical jobs and improved mental wellness of the citizenry.

The estimated cost to the agency for enforcement of the proposed regulation:

The Board's costs are anticipated to drop following adoption of these changes by streamlining processes and improving workflow.

A description of any regulations of other state or government agencies which the proposed regulation overlaps or duplicates and a statement explaining why the duplication or overlapping is necessary. If the regulation overlaps or duplicates a federal regulation, the name of the regulating federal agency:

The Board is not aware of any overlapping or duplication of state, local or federal regulations.

If the regulation includes provisions which are more stringent than a federal regulation which regulates the same activity, a summary of such provisions:

N/A

If the regulation provides a new fee or increases an existing fee, the total annual amount the agency expects to collect and the manner in which the money will be used:

This regulation does not impose a new fee or increase an existing fee.
