

LEGISLATIVE REVIEW OF ADOPTED REGULATIONS--NRS 233B.066
Informational Statement
LCB File No. R134-22

1. A clear and concise explanation of the need for the adopted regulation.

The amendment in Section 1 of this LCB File is intended to be beneficial to both the agency and incumbent employee in this situation and is necessary to provide a State of Nevada agency with more flexibility when a position is reclassified to a higher level. The amendment allows the reclassification to become effective if the incumbent will meet the minimum qualifications of the higher level within 1 year, rather than putting the reclassification on hold if the incumbent does not meet the minimum qualifications of the higher level at the time of reclassification.

The amendment in Section 2 is necessary to bring the timeframes related to an appeal of a refusal to examine or certify into alignment to reduce confusion.
