**Legislative Review of Adopted Regulations as Required by NRS 233B.066**  
LCB File #R167-22

The following statement is submitted for adopted amendments to Nevada Administrative Code (NAC) Chapter 391:

**1. A clear and concise explanation of the need for the adopted regulation.**

This regulation is necessary to delineate required content of the training and opportunities for training regarding the Nevada Model Code of Educator Ethics for a teacher, administrator, or other person employed by the school district or charter school.

Public comment was solicited through both the regulation workshop and public hearing. The attached workshop agenda and notice was posted 15 days prior to the workshop. The attached public hearing agenda and notice was posted 30 days prior to the public hearing. A description of how members of the public could provide comment is included in both items.

There are no public statements so there is no summary of statement to be obtained. A copy of the record of no public statements may be obtained from the NDE by contacting Alicia Briancon at 775-443-5519 or [alicia.briancon@doe.nv.gov](mailto:alicia.briancon@doe.nv.gov).
