EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: § 1, NRS 385B.060.

A REGULATION relating to interscholastic athletic events; establishing the maximum number of teams a school may offer for each sanctioned sport in which the school participates; authorizing a school to establish a maximum number of pupils who may participate on each such team roster; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires the Nevada Interscholastic Activities Association to adopt rules and regulations concerning interscholastic athletic events. (NRS 385B.060) This regulation limits a school to establishing one varsity team, one junior varsity team and one freshman team for each sanctioned sport in which the school participates. This regulation also authorizes a school to establish a maximum number of pupils who may participate in such sports on each such team roster.

Section 1. Chapter 385B of NAC is hereby amended by adding thereto a new section to read as follows:

1. A school may establish not more than one varsity team, one junior varsity team and one freshman team for each sanctioned sport in which the school participates.

2. For each team described in subsection 1, a school may establish, on a form approved by the Association for the team roster, a maximum number of pupils who may participate on each team, as determined by the school district, school or team coach.
