For the issuance of an operating permit for a platform lift, based on an acceptance inspection	\$250
Private Residence Elevators	Fees
For the preliminary and final inspections of a private residence elevator by an inspector that are required to be made at the time of installation pursuant to NAC 455C.516	\$400
For each subsequent inspection of a private residence elevator by a special inspector that is requested by the owner of the private residence elevator	100
Renewal of Operating Permits for Elevators Inspected by Special Inspectors	Fees
For the renewal of an operating permit for an elevator if the operating permit is renewed based on a report of inspection made by an inspector or special inspector	\$200
Special Services	Fees
For any services rendered by the Mechanical Compliance Section to assist a person in complying with the provisions of this chapter, including, without limitation, an inspection other than an inspection required by NAC 455C.516 and the review of plans, drawings	

and specifications before those plans, drawings and specifications are submitted to the Mechanical Compliance Section pursuant to NAC 455C.506:

Per hour charge for those services provided during the first 8 hours of a day \$60

Per hour charge for those services provided after the first 8 hours of the day 100

2. In addition to paying the fees imposed by this section for services rendered by the Mechanical Compliance Section to assist a person in complying with the provisions of this chapter, a person who requests that the Mechanical Compliance Section perform such services must pay all necessary expenses incurred by the Mechanical Compliance Section in fulfilling the request, including, without limitation:

(a) The payment of a mileage charge before the issuance of any permit at a rate equal to the mileage allowance for state officers and employees who use their personal vehicles for the convenience of this State for all travel to and from an inspection conducted at a location which is more than 50 miles from the closest office of the Mechanical Compliance Section;

~~[(b) A charge of \$20 for the filing of a maintenance control program for an elevator;]~~

~~[(e)] (b)~~ A charge of \$250 for any inspection that is cancelled less than one full business day before the scheduled inspection;

~~[(d)] (c)~~ A processing fee not to exceed \$25 for each renewal of an operating permit issued by the Mechanical Compliance Section; and

~~[(e)] (d)~~ Fees for inspections of alterations to elevators, which will be assessed on an hourly basis not to exceed the fee for an initial operating permit for an elevator of the same type.

3. Each fee owed to the Mechanical Compliance Section must be paid in advance. The Mechanical Compliance Section will not process and will return to the sender any documents submitted to the Mechanical Compliance Section which do not include the correct fee, are incomplete or are not sent to the Mechanical Compliance Section office which maintains the record for that object. An amended submission for any submission returned pursuant to this subsection may be resubmitted to the Mechanical Compliance Section within 10 business days after the original submission was returned to the sender and must be accompanied by an additional fee of \$50.

4. A fees for the annual renewal of an operating permit may be, at the discretion of the Administrator, collected by an authorized inspection agency on behalf of the Division.

Sec. 3. NAC 455C.503 is hereby repealed.

Sec. 4. NAC 455C.512 is hereby amended to read as follows:

NAC 455C.512 Periodic tests: Notification of Mechanical Compliance Section; performance; witness of test by special inspector. (NRS 455C.110)

~~[1. A licensed elevator contractor who performs periodic tests on an elevator shall notify the Mechanical Compliance Section, in writing, at least 3 business days before commencing any periodic tests on the elevator.]~~

~~[2.]~~ **1.** Except as otherwise provided in subsection ~~[3]~~ **2**, any periodic tests performed on an elevator must comply with the requirements of NAC 455C.400 to 455C.530, inclusive and section 1 of this regulation.

~~[3.]~~ **2.** An inspector or special inspector must witness any periodic tests performed on an elevator.

TEXT OF REPEALED SECTIONS

NAC 455C.120 Notification by insurance companies. (NRS 455C.110) An insurance company shall notify the Mechanical Compliance Section within 30 days after the insurance company:

1. Commences the coverage of a boiler or pressure vessel; or
2. Cancels, refuses to renew or suspends the coverage of a boiler or pressure vessel.

NAC 455C.503 Elevator with 55 feet or less of travel not required to have Phase II Emergency In-Car Operation installed; exception. (NRS 455C.110)

1. An elevator with 55 feet or less of travel is not required to have Phase II Emergency In-Car Operation installed unless installation is required by local ordinance. If Phase II Emergency In-Car Operation is installed, it must be maintained and tested monthly.
2. As used in this section, “Phase II Emergency In-Car Operation” has the meaning ascribed to it in section 1.3 of the Safety Code for Elevators and Escalators, A17.1, as adopted by reference in NAC 455C.500.
