DIVISION OF INDUSTRIAL RELATIONS**

**INFORMATIONAL STATEMENT OF ADOPTED REGULATIONS**  
**AS REQUIRED BY NRS 233B.066**

The following informational statement as required by NRS 233B.066 is submitted for adopted amendments to Nevada Administrative Code (NAC) Chapter 618 as follows:

**1. EXPLANATION OF THE NEED FOR THE ADOPTED REGULATION**

On January 12, 2023, Nevada Governor Joe Lombardo issued Executive Order 2023-003, requiring every executive branch department, agency, board, and commission to undertake a comprehensive review of the regulations subject to its enforcement and provide details on how the regulation can be streamlined, clarified, reduced, or otherwise improved to ensure those regulations provide for the general welfare of the State without unnecessarily inhibiting economic growth. Executive Order 2023-003 further required every executive branch department, agency, board, and commission to provide a list of regulations recommended for removal. The Division of Industrial Relations, Occupational Safety and Health Administration (OSHA) undertook such review and the proposed regulations, and amendments thereto, are in furtherance of the Division's compliance with Executive Order 2023-003. Specifically, R027-23 removes provisions requiring the publication of certain notices in newspapers; revises the form in which recordings of certain hearings are required to be kept; and provides other matters properly relating thereto.

Further, Executive Order 2023-008, issued June 30, 2023, notes that the executive agencies, boards, and commissions subject to Executive Order 2023-003 shall begin the process of repealing, streamlining, clarifying, reducing, or otherwise improving regulations. This proposed regulation seeks to comply with Executive Order 2023-008.

**2. DESCRIPTION OF HOW PUBLIC COMMENT WAS SOLICITED, A SUMMARY OF PUBLIC RESPONSE, AND AN EXPLANATION OF HOW OTHER INTERESTED PERSONS MAY OBTAIN A COPY OF THE SUMMARY.**

Consideration should be had whether prehearing conferences should be completely gone or should be within the discretion of the board.</p>

**5. DESCRIPTION OF HOW COMMENT WAS SOLICITED FROM AFFECTED BUSINESSES, A SUMMARY OF THEIR RESPONSE, AND AN EXPLANATION OF HOW OTHER INTERESTED PERSONS MAY OBTAIN A COPY OF THE SUMMARY.**

To determine whether the proposed regulations were likely to have an impact on small businesses, the Division considered the purpose and scope of the proposed regulations. The proposed regulations revise provisions of NAC 618 by removing provisions requiring the publication of certain notices in newspapers; revising the form in which recordings of certain hearings are required to be kept; and providing other matters properly relating thereto.

In addition, on October 24, 2023, the Division sent out a Small Business Impact Statement Questionnaire to interested parties on the Division's Listserv, which includes 3,082 recipients. The Questionnaire inquired from small businesses whether they believed there would be any economic effects, adverse or beneficial, direct or indirect, on their respective businesses from the proposed regulation. The deadline to return the questionnaire was November 6, 2023. The Division did not receive any responses.

Based on this review, the Division determined that this regulation will have no direct effect on small businesses, either adverse or beneficial, and will also have no indirect effect on small businesses, either adverse or beneficial.

A summary may be obtained by contacting Rosalind Jenkins, Legal Secretary II, Division of Industrial Relations, (702) 486-9014, or by writing to the Division of Industrial Relations, 3360 W. Sahara Ave., Ste. 250, Las Vegas, Nevada 89102.

**6. IF THE REGULATION WAS ADOPTED WITHOUT CHANGING ANY PART OF THE PROPOSED REGULATION, A SUMMARY OF THE REASONS FOR ADOPTING THE REGULATION WITHOUT CHANGE.**

The Division provided several opportunities for members of the public and key industry stakeholders to provide feedback on the proposed regulations, including the May 4, 2023 Public Hearing, November 29, 2023 Workshop, and January 16, 2024 Public Hearing. While Dalton Hooks, Esq., provided his opinions at the May 4, 2023 Public Hearing regarding NAC 618.767, the version of LCB File No. R027-23 that was ultimately adopted by the Division did not repeal

NAC 618.767. No additional public comment was received related to LCB File No. R027-23.

**7. THE ESTIMATED ECONOMIC EFFECT OF THE REGULATION ON THE BUSINESS WHICH IT IS TO REGULATE AND ON THE PUBLIC. THESE MUST BE STATED SEPARATELY, AND IN EACH CASE MUST INCLUDE:**

**A. ADVERSE AND BENEFICIAL EFFECTS**

**i. Effect on Businesses**

The Division anticipates no adverse effects, either direct or indirect, on regulated businesses as the result of these regulations. There will be no direct or indirect cost to regulated or small businesses.

The Division believes that there will be beneficial effects, direct or indirect, on regulated or small businesses as the result of these regulations. The Division proposed the modifications to NAC 618.6334 because notification to the public of a variance request is not as important to the employer making the request. Moreover, the Division proposed modifications to NAC 618.6373 because the language currently in regulation is outdated for modern recording methodology.

**ii. Effect on the Public**

The Division anticipates no adverse effects, either direct or indirect, on the public as the result of these regulations. There will be no direct or indirect cost to the public.

The Division believes that there will be no beneficial effects, either direct or indirect, on the public as the result of these regulations.

**8. THE ESTIMATED COST TO THE AGENCY FOR ENFORCEMENT OF THE PROPOSED REGULATION**
