

**ADOPTED REGULATION OF THE  
STATE BOARD OF PROFESSIONAL ENGINEERS AND  
LAND SURVEYORS  
LCB File No. R105-23**

EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: § 1, NRS 625.250.

A REGULATION relating to professional land surveyors; repealing the requirement that, under certain circumstances, a professional land surveyor establish the final location of points within certain positional certainties; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law requires the State Board of Professional Engineers and Land Surveyors to: (1) administer the provisions and requirements of the Nevada Revised Statutes concerning professional land surveyors; and (2) make and enforce such regulations as necessary to carry out those provisions. (NRS 625.250) Existing regulations provide that when conducting a construction survey, a professional land surveyor is required to establish the final location of points within certain positional certainties. (NAC 625.765) This regulation repeals this requirement from the Nevada Administrative Code.

**Section 1.** NAC 625.765 is hereby repealed.
