(NAC 641.1517-641.161; section 8 of LCB File No. R074-18) Existing regulations require a psychologist who wishes to serve as the supervisor of a psychological assistant, psychological intern or psychological trainee to have completed training in clinical supervision. (NAC 641.1519) **Section 1** of this regulation specifies the types of training that fulfill that requirement. **Section 1** also removes requirements that a psychologist who is supervising: (1) a psychological assistant has been licensed to practice psychology for 3 years or more, unless otherwise approved by the Board; and (2) a psychological assistant, psychological intern or psychological trainee maintain certain records relating to the training and experience of the supervising psychologist. **Section 2** of this regulation revises requirements governing the supervision of: (1) a psychological intern or psychological trainee by a psychological assistant under the supervision of a psychologist; and (2) a psychological trainee by a psychological intern under the supervision of a psychologist. **Section 2** also prescribes certain limitations governing such supervision. **Section 2** additionally requires a supervising psychologist to ensure that a psychological trainee, psychological intern or psychological assistant receives certain supervision. **Section 2** also adopts by reference certain publications that prescribe standards for the assignment of a psychological trainee to a supervisor.
