by the agency submitted on 03/12/2024**

**PROPOSED REGULATION OF THE STATE  
BOARD OF PHARMACY**

Workshop – March 7, 2024

EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted. and language in *green text* indicates prior Board-approved amendments that are in the process of being codified.

AUTHORITY: § 1, NRS 639.070

**A REGULATION relating to pressurized stocking. Allowing pressurized stocking to be provided without a prescription in certain circumstances.**

**NAC 639.69545 Pressurized stockings. (NRS 639.070)**

1. A pressurized stocking ~~that has a pressure rating of 20 millimeters of mercury or more~~ may not be sold, leased or otherwise provided to a consumer without an order from a practitioner if:

(a) The Food and Drug Administration (FDA) requires the product to be sold only on a prescription or other order of a practitioner: or

(b) The product is labeled in a manner that directs the product to be sold only on a prescription or other order of a practitioner.

2. A pressurized stocking listed in subsection 1 is medical product as defined by NAC 639.6935 and a ~~A~~ medical products provider that sells, leases or otherwise provides to a consumer a pressurized stocking ~~that has a pressure rating of 20 millimeters of mercury or more~~ shall provide training to the consumer or the consumer's family, caregiver or agent in the use, maintenance and potential problems in the use of the stocking. The training must be provided by a person who is certified by the manufacturer of the pressurized stocking in the fitting and use of the stocking.

**NAC 639.6935 “Medical products” defined. (NRS 639.070)**

1. “Medical products” includes medical devices, equipment, supplies and gases intended for use in the diagnosis, cure, mitigation, treatment or prevention of disease.

2. The term does not include:

(a) Controlled substances;

(b) Dangerous drugs, except medical gases and supplies that facilitate the use of a dangerous drug, including, without limitation, normal saline and other similar inert liquids;

(c) Medical devices, equipment, supplies or gases the regulation of which is governed by any other board or agency other than the Board; and

~~—(d) Pressurized stockings that have a pressure rating of less than 20 millimeters of mercury.~~
