EXPLANATION – Matter in *italics* is new; matter in brackets ~~[omitted material]~~ is material to be omitted.

AUTHORITY: § 1, NRS 385.080.

A REGULATION relating to education; eliminating certain regulatory requirements concerning pupils who are dropouts; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires the board of trustees of each school district, the State Public Charter School Authority, each college or university within the Nevada System of Higher Education that sponsors a charter school and each city or county that sponsors a charter school to prepare and submit an annual report of accountability for the immediately preceding school year. (NRS 385A.070, as amended by section 2 of Assembly Bill No. 400, chapter 387, Statutes of Nevada 2023, at page 2162, NRS 385A.260) Under existing law, the annual report of accountability must include certain information concerning the annual rate of pupils who drop out of school in grades 8 to 12, inclusive. (NRS 385A.260) Existing regulations duplicate this requirement, in part, by requiring each school district to report the number of pupils in the district in grades 7 to 12, inclusive, who are dropouts. (NAC 387.281) This regulation eliminates this duplication by repealing from the Nevada Administrative Code the requirement that each school district report the number of pupils in grades 7 to 12, inclusive, who are dropouts.

Section 1. NAC 387.281 is hereby repealed.

TEXT OF REPEALED SECTION

387.281 Report on number of dropouts. (NRS 385.080, 387.123, 388A.110) Each school district shall report to the Department on December 1 of each year, in the manner prescribed by the Superintendent of Public Instruction, the number of pupils in that district in grades 7 to 12, inclusive, who are dropouts. No pupil may be counted more than once. If a charter school submits a report pursuant to this section, the charter school shall, upon the request of the sponsor of the charter school or a school district in which a pupil enrolled in the charter school resides, provide a copy of the report to the requester.
