DEPARTMENT OF PUBLIC SAFETY**

**LCB File No. R068-24**

September 9, 2024

EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §§ 1-3, NRS 202.369.

A REGULATION relating to concealed firearms; revising the application forms for the issuance or renewal of a permit to carry a concealed firearm; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Existing law sets forth the requirements for a person to: (1) obtain a permit to carry a concealed firearm; and (2) renew such a permit. (NRS 202.3657-202.3677) Existing law further provides that an application for a permit to carry a concealed firearm or the renewal of such a permit be on a form prescribed by regulation of the Department of Public Safety. (NRS 202.3657, 202.3677) Existing regulations set forth separate application forms for an application for a permit to carry a concealed firearm and an application for the renewal of a permit to carry a concealed firearm. (NAC 202.020, 202.030) **Section 2** of this regulation combines the applications into a single application form. **Section 3** of this regulation makes conforming changes to repeal the: (1) separate application form for the renewal of a permit to carry a concealed firearm; and (2) authority for a sheriff to combine the applications into a single application form. (NAC 202.030, 202.040) **Section 1** of this regulation makes a conforming change to eliminate an internal reference to a section of the Nevada Administrative Code that is repealed in **section 3**.

**Section 2** revises the application form for a permit to carry a concealed firearm and for the renewal of such a permit to conform to existing law. (NRS 202.3657, 202.366, 202.3677) Specifically, **section 2** eliminates obsolete language relating to: (1) the limit on the number of firearms to which a permit to carry a concealed firearm applies; (2) carrying a concealed firearm in certain buildings; (3) the expiration of a permit to carry a concealed firearm; and (4) the provision of information concerning each firearm to which the application pertains. **Section 2** further revises the application form to require the sheriff conducting an investigation of an applicant for the issuance or renewal of a permit to determine if the applicant meets the applicable requirements of existing law. (NRS 202.366, 202.3677)

Existing law prohibits a person from obtaining or renewing a permit to carry a concealed firearm if the person: (1) is currently subject to an emergency or extended order for protection against high-risk behavior; (2) has made a false statement on any application for a permit or for the renewal of a permit; or (3) has been discharged or released from service in the Armed Forces

of the United States, a reserve component thereof or the National Guard under conditions other than honorable and is less than 21 years of age. (NRS 202.3657, 202.3677) **Section 2** revises the questions set forth on the combined application for a permit or renewal of a permit to include questions relating to these prohibitions.

Existing law requires that an applicant for a permit to carry a concealed firearm or the renewal of such a permit be qualified to possess a firearm under state and federal law. (NRS 202.3657, 202.3677) Federal law prohibits possession of a firearm or ammunition by a person who is an unlawful user of or addicted to any controlled substance, including cannabis. (18 U.S.C. § 922(g)(3)) **Section 2** adds to the list of questions an applicant must answer in the combined application form for a permit or renewal of a permit to carry a concealed firearm whether the applicant has consumed cannabis in the year immediately preceding the date of the application.

**Section. 1.** NAC 202.010 is hereby amended to read as follows:

202.010 As used in NAC ~~{202.010 to 202.040, inclusive,}~~ **202.020**, unless the context otherwise requires:

1. “Concealed firearm” has the meaning ascribed to it in subsection 1 of NRS 202.3653.
2. “Permit” has the meaning ascribed to it in subsection ~~{3}~~ **4** of NRS 202.3653.
