A REGULATION relating to housing; establishing requirements for the supportive housing grant program; revising certain obsolete references; repealing an obsolete definition; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires the Housing Division of the Department of Business and Industry to, subject to the availability of funds appropriated for such a purpose, develop and implement a supportive housing grant program. Existing law also requires the Division to adopt regulations to carry out the grant program which must include the criteria for eligibility to receive money and procedures for the submission and review of applications. (Section 2 of Assembly Bill No. 310, chapter 481, Statutes of Nevada 2023, at page 2963 (NRS 319.600)) **Section 1** of this regulation establishes the process and requirements to apply for a grant from the supportive housing grant program and sets forth the entities that are eligible to apply for such a grant.

Sections 2 and 3 of this regulation replace references to the Veterans’ Administration with the Department of Veterans Affairs. **Section 4** of this regulation eliminates an obsolete reference to a repealed provision of the Nevada Revised Statutes. **Section 5** of this regulation repeals an obsolete definition of a term that is no longer used in the provisions governing certain deferred mortgage loans.
