Informational Statement

Notice of Adoption of Regulation

The following statement is submitted for adopted amendments to Nevada Administrative Code (NAC) Chapter 242.

1. **A clear and concise explanation of the need for the adopted regulation:** This regulation is necessary to update the regulations to comply with recent statutory changes, specifically those brought about by Senate Bill No. 431 from the 2023 Legislative Session, which reorganized the responsibilities of the Office of the Chief Information Officer.
2. **A description of how public comment was solicited, a summary of public response, and an explanation of how other interested persons may obtain a copy of the summary:** Copies of the proposed regulations, notices of the workshop, and notices of intent to act upon the regulation were sent by email to individuals and entities known to have an interest in information services regulations, as well as those who had specifically requested such notice. These documents were also made available on the Office of the Chief Information Officer's website and posted at various public locations, including the Nevada State Library and Archives, the Legislative Building, and the Grant Sawyer Building. A public hearing was held on August 7, 2024. No public responses were received during the solicitation process. The Minutes of the public response can be obtained from <https://it.nv.gov/Governance/Meetings/>.

- (b) Testified at each hearing: August 7, 2024 – 0
- (c) Submitted to the agency written comments: None

60 **A list of names and contact information for each person identified above in #3:** Not Applicable/

70 **A description of how comment was solicited from affected businesses, a summary of their response, and an explanation of how other interested persons may obtain a copy of the summary:** Comments were solicited from affected businesses in the same manner as they were from the public. No responses were received from affected businesses. The summary may be obtained as instructed in the response to item #2.

80 **If the regulation was adopted without changing any part of the proposed regulation, a summary of the reasons for adopting the regulation without change:** The regulation was adopted on August 14, 2024, as proposed, without changes, as no substantive feedback was received that necessitated amendments.

90 **The estimated economic effect of the adopted regulation on the businesses it regulates and on the public:**

c0 **Adverse and beneficial effects:**

 i0 **On Businesses:** There are no impacts on businesses, as these regulations govern IT policies specifically for executive branch agencies.

 ii0 **On the Public:**

 30 **Adverse effects:** None anticipated.

 Beneficial effects: Increased protection of public data and enhanced trust in state-managed systems.

" d0" **Immediate and long-term effects:**

" i0 **On Businesses:** Not applicable.

 ii. **On the Public:**

- **Immediate effects:** Improved security of personal information handled by state systems.
- **Long-term effects:** Continued protection and reliability of state-managed public data.

60 **A description of any regulations of other state or government agencies which the proposed**

regulation overlaps or duplicates and a statement explaining why the duplication or overlapping is necessary: There are no other state or government agency regulations that the proposed regulation duplicates.

10. **If the regulation includes provisions that are more stringent than a federal regulation which regulates the same activity, a summary of such provisions:** The regulation does not include provisions more stringent than any applicable federal regulations.
11. **If the regulation provides a new fee or increases an existing fee, the total annual amount the agency expects to collect and the manner in which the money will be used:** This regulation does not provide a new fee or increase an existing fee.

If you have any questions or concerns, please email us at: CIO@it.nv.gov.

Thank you,

Michael Hanna-Butros Meyering
Chief Communication and Policy Officer
