

## Digest for Adopted Regulation R\_057-11

Under existing law, the Taxicab Authority of the Department of Business and Industry is required to maintain its principal office in the county or area of the State where it performs most of its regulatory activity. The Authority may also adopt appropriate regulations for the administration and enforcement of the provisions of NRS for which it is responsible. (NRS 706.8818)

This regulation removes a reference to the address of the principal office of the Taxicab Authority from NAC.
