OF THE DIVISION OF OUTDOOR RECREATION OF THE
STATE DEPARTMENT OF CONSERVATION
AND NATURAL RESOURCES**

LCB File No. R060-24

EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §§ 1 and 3-6, NRS 407A.605 and 407A.610, as amended by section 1.3 of Assembly Bill No. 164, chapter 77, Statutes of Nevada 2023, at page 392; § 2, NRS 407A.605.

A REGULATION relating to outdoor recreation; revising provisions governing the purposes for which grant money from the Outdoor Education and Recreation Grant Program may not be used; revising requirements relating to the referral of an application for a grant to the Advisory Board on Outdoor Recreation; establishing certain duties of the Advisory Board relating to the Grant Program; repealing certain provisions establishing the Technical Advisory Committee as an advisory committee to perform certain duties relating to the Grant Program; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law creates the Outdoor Education and Recreation Grant Program and requires the Administrator of the Division of Outdoor Recreation of the State Department of Conservation and Natural Resources to adopt regulations for the governance of the Grant Program. (NRS 407A.605) Existing regulations set forth the purposes for which a grant from the Grant Program may and may not be used. (NAC 407A.140) **Section 2** of this regulation removes organized youth sports from the list of purposes for which a grant from the Grant Program may not be used.

Before the passage of Assembly Bill No. 164 (A.B. 164) of the 2023 Legislative Session, existing law required the Administrator to adopt regulations to establish an advisory committee to assist and advise the Administrator in the development and administration of the Grant Program. (NRS 407A.610) Existing law creates the Advisory Board on Outdoor Recreation, which is required to advise the Administrator on any matter concerning outdoor recreation in this State. (NRS 407A.575) A.B. 164 removed the requirement for the Administrator to establish such an advisory committee and instead requires the Advisory Board to assist and advise the Administrator in the development and administration of the Grant Program. (Section 1.3 of the Assembly Bill No. 164, chapter 77, Statutes of Nevada 2023, at page 392) Consistent with the changes made by A.B. 164, **section 6** of this regulation repeals the provisions of existing regulations defining the advisory committee as the Technical Advisory Committee and

establishing the membership of the Technical Advisory Committee. **Section 1** of this regulation makes a conforming change to remove a reference to a regulation repealed by **section 6**. **Sections 3-5** of this regulation make conforming changes to replace references to the Technical Advisory Committee with the Advisory Board on Outdoor Recreation.

Existing regulations authorize the Administrator to review and approve or disapprove an application for a grant that requests less than \$5,000 instead of referring the application to the Technical Advisory Committee. (NAC 407A.145) **Section 3** instead authorizes the Administrator to review and approve or disapprove an application for a grant that requests not more than \$7,500.
