EXPLANATION – Matter in *italics* is new; matter in brackets ~~[omitted material]~~ is material to be omitted.

AUTHORITY: §1, NRS 501.105, 501.181 and 501.1818.

A REGULATION relating to wildlife; increasing the number of demerit points that the Department of Wildlife must assess for certain wildlife violations; expanding the wildlife violations for which the Department must assess demerit points; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law requires the Board of Wildlife Commissioners to adopt regulations necessary to preserve, protect, manage and restore wildlife and its habitat and to carry out the provisions of title 45 of NRS governing wildlife in this State. (NRS 501.105 and 501.181) Further, existing law requires the Commission to establish a system of assessing demerit points for wildlife convictions and authorizes the Commission to adopt such regulations as are necessary to administer the system. (NRS 501.1814, 501.1818) Existing regulations provide that a person who is convicted of a wildlife violation will be assessed demerit points according to a set schedule. If a person is convicted of committing a wildlife violation that does not appear in the schedule, the Department of Wildlife must assess 3 demerit points against the person. (NAC 501.200) This regulation increases: (1) from 3 to 9 the demerit points that the Department must assess for a conviction for fishing in nonnavigable waters on private property without permission; and (2) from 6 to 9 the demerit points the Department must assess for a conviction for hunting or trapping on private property without permission. This regulation also imposes 6 demerit points against a person for a failure to visit a trap, snare or similar device 48 or more hours after the required period for visiting the trap, snare or similar device.

**Section 1.** NAC 501.200 is hereby amended to read as follows:

501.200 1. A person who is convicted of a wildlife violation will be assessed demerit points pursuant to the following schedule:
