

INFORMATIONAL STATEMENT

R098-24

A clear and concise explanation of the need for the adopted regulation:

Existing law requires the Peace Officer Standards and Training Commission to adopt regulations establishing minimum standards for the certification and decertification, recruitment, selection and training of peace officers. (NRS 289.510)

Existing regulations require the Commission to notify a peace officer by certified mail of any pending revocation or suspension action concerning the certificate of the officer. (NAC 289.290(4)) This regulation change authorizes the Commission to provide such notice by personal service or certified mail. This will allow the Commission to have notices served in person by appropriate personnel, ensuring the proper notices are given for revocations and suspension hearings.
