- 4. If the regulation was adopted without changing any part of the proposed regulation, a summary of the reasons for adopting the regulation without change.**

The proposed regulation is not controversial; it merely implements the changes in names and duties as a result of SB 427, merging the State Public Works Board within the Department of Administration and making Buildings & Grounds a section within the new State Public Works Division.

- 5. The estimated economic effect of the regulation on the business which it is to regulate and on the public. These must be stated separately, and each case must include:**

- (a) Both adverse and beneficial effects; and**

Adverse - No adverse affects.

Beneficial – Merge agencies to avoid duplication.

- (b) Both immediate and long-term effects.**

Merge agencies to avoid duplication.

- 6. The estimated cost to the agency for enforcement of the adopted regulation:**

SPWB does not estimate any cost to enforce the amendments

- 7. A description of any regulations of other State or governmental agencies which the regulation overlaps or duplicates and a statement explaining why the duplication or overlap is necessary. If the regulation overlaps or duplicates a federal regulation, the name of the regulating federal agency.**

None

- 8. If the regulation includes provisions that are more stringent than a federal regulation that regulates the same activity, a summary of such provisions.**

Federal Law does not require the proposed regulation.

- 9. If the regulation provides a new fee or increases an existing fee, the total annual amount the agency expects to collect and the manner in which the money will be used.**

Does not apply

**10. Is the proposed regulation likely to impose a direct and significant economic burden upon a small business or directly restrict the formation, operation or expansion of a small business? What methods did the agency use in determining the impact of the regulation on a small business?**

Small business impact questionnaires were distributed to everyone in the qualification data base plus contractor's associations, other State Agencies and the proper postings.
