**SMALL BUSINESS IMPACT STATEMENT**  
**PURSUANT TO NRS 233B.0608**

**DATE:** September 15, 2021

**RE:** Workshop to Solicit Comments on Proposed Amendments to NAC Chapter 387.XXX, 388.XXX, and/or 432B.XXX which pertain to regulations for a plan of continued education for a child in the custody of a child welfare agency and admitted to a psychiatric treatment facility or hospital pursuant to NRS 432B.6076, as required by Senate Bill 210 (2021).

I, Jhone M. Ebert, being the duly appointed Superintendent of Public Instruction of the Nevada Department of Education, do hereby certify, to the best of my knowledge or belief:

1. The proposed regulation regarding Education Plans for Students in Residential Treatment is not likely to (a) impose a direct or significant economic burden upon a small business, or (b) directly restrict the formation, operation or expansion of a small business.
2. A concerted effort was made to determine any economic burden.
3. All relevant materials were reviewed, and the Department considered its history with implementing similar regulations; the proposed changes are within the scope of the Department's activities and present no significant cost of enforcement.
4. Comment has not been solicited from small businesses, and no summary of their response is provided, because small businesses are not impacted by this regulation and thus no burden or adverse economic impact can be assessed.

I hereby further certify that, to the best of my knowledge or belief, a concerted effort was made to determine the impact of the regulation on small businesses and that the information contained in this statement was prepared properly and is accurate.

Respectfully submitted,
