

Assembly Bill No. 148—Assemblymen Mastroluca, Ohrenschall, Smith, Bobzien; Benitez-Thompson, Conklin, Dondero Loop, Flores, Frierson, Horne and Pierce

## CHAPTER.....

AN ACT relating to the protection of children; requiring a law enforcement agency to determine whether an infant who is relinquished to a provider of emergency services has been reported as a missing child; and providing other matters properly relating thereto.

### **Legislative Counsel's Digest:**

Existing law allows the parent of a child who is not more than 30 days old to take the child to a provider of emergency services and leave the child with the provider of emergency services without the intent to return for the child. In such cases, the child so delivered is presumed abandoned. The parent of the child is not required to provide any information regarding the child and, unless there is reasonable cause to believe that the child has otherwise been abused or neglected, will not be investigated for abuse or neglect. The provider of emergency services is required to inform an agency which provides child welfare services that the provider has taken possession of the child within 24 hours after doing so. (NRS 432B.630) Existing law requires the agency which provides child welfare services, upon receiving such notice, to immediately place the child in protective custody. (NRS 432B.390) This bill requires the provider of emergency services to also notify a law enforcement agency within 24 hours after the provider takes possession of an abandoned child and requires the law enforcement agency to notify the Clearinghouse of missing children established by the Attorney General and to investigate further, if necessary, to determine whether the child has been reported as a missing child. Upon conclusion of the investigation, the law enforcement agency is required to inform the agency which provides child welfare services of its determination, and the agency is required to maintain that information for statistical and research purposes.
