

Assembly Bill No. 195—Committee on Judiciary

CHAPTER.....

AN ACT relating to court records; revising requirements for saving images of court records before the records may be destroyed; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Clerk of the Supreme Court, a county clerk, a deputy clerk of a justice court or a clerk of a municipal court may destroy documents, records, instruments, books, papers, depositions and transcripts of court actions and proceedings if the action or proceeding is not on appeal or review in any court. (NRS 239.110) The clerk is required to maintain a microphotographic film copy of every such record destroyed, and the copies are deemed to be the original documents.

Section 1 of this bill instead requires that, before a court record is destroyed by the Clerk of the Supreme Court, a deputy clerk of the Supreme Court, a county clerk, the clerk of a district court or a deputy clerk of a district court, the clerk must place an image of the record on microfilm or save the image in an electronic recordkeeping system. However, a deputy clerk of a justice court or a clerk of a municipal court may destroy a court record pursuant to a schedule for the retention and disposition of court records established by the Supreme Court without placing an image of the record on microfilm or saving the image in an electronic recordkeeping system. **Section 1** also: (1) requires the microfilm or saved image to be durable, accurate, complete and clear; (2) clarifies that reproduction of a court record is considered to be the original, regardless of whether the actual original document exists; and (3) requires the clerk who microfilms or saves the court records to store the microfilm or the medium used to save the image in a manner and place so as to protect it reasonably from loss or damage and as prescribed by the Supreme Court.
