

Assembly Bill No. 87—Assemblyman Segerblom

CHAPTER.....

AN ACT relating to discovery; enacting the Uniform Interstate Depositions and Discovery Act; establishing procedures for requesting and issuing certain subpoenas; providing for the service and enforcement of such subpoenas; requiring that an application for a protective order or to enforce, quash or modify such subpoenas comply with all applicable rules of court and laws of this State; repealing the Uniform Foreign Depositions Act; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Under existing law, the Uniform Foreign Depositions Act provides that an out-of-state witness may be compelled to appear and testify in the same manner and by the same process as may be used for the purpose of taking testimony in this State. (NRS 53.050, 53.060, 53.070) This bill repeals the Uniform Foreign Depositions Act and enacts the Uniform Interstate Depositions and Discovery Act.

The Uniform Interstate Depositions and Discovery Act provides procedures for courts in Nevada to issue subpoenas from out-of-state litigants. **Section 8** of this bill defines “subpoena” to mean a document requiring a person to provide testimony at a deposition, produce certain discoverable items or permit the inspection of certain premises. **Section 9** of this bill requires an out-of-state party that wishes to have a subpoena issued in this State to submit a foreign subpoena to the clerk of a court in the county in this State in which the deposition or discovery is to take place, and provides procedures for the clerk to issue the in-state subpoena. **Section 10** of this bill provides that a subpoena issued under the provisions of the Act must be served and enforced in compliance with certain rules of civil procedure in Nevada. **Section 11** of this bill requires an application for a protective order or to enforce, quash or modify a subpoena issued under the Act to comply with all applicable rules of court and laws of this State and to be filed in a court within the county in which discovery is to be conducted.
