AN ACT relating to insurance; revising provisions governing insurance adjusters; exempting certain persons from provisions of the Nevada Insurance Adjusters Law governing the licensing and regulation of adjusters; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

The Nevada Insurance Adjusters Law governs the licensing of adjusters and the regulation of their conduct. (NRS 684A.010-684A.260) The Nevada Insurance Adjusters Law defines “adjuster,” “independent adjuster,” “public adjuster” and “associate adjuster” for purposes of the Nevada Insurance Code. (NRS 684A.020, 684A.030) The Nevada Insurance Adjusters Law is applicable only to persons who satisfy the statutory definition of adjuster, but not to persons who adjust or settle claims relating to life insurance, health insurance or annuities. (NRS 684A.010)

Section 2 of this bill exempts certain persons from the provisions governing the licensing and regulation of adjusters by specifically providing that such persons are not considered adjusters for purposes of the Code. **Section 2** provides that the following persons are not considered adjusters: (1) certain employees of an independent adjuster or an affiliate of an independent adjuster who collect information relating to a claim and conduct data entry; (2) licensed agents who supervise certain employees of an independent adjuster or an affiliate of an independent adjuster; (3) persons employed only to collect factual information concerning a claim for coverage arising under an insurance contract; (4) persons employed only to provide technical assistance to an independent adjuster; (5) persons employed to investigate suspected fraudulent claims for coverage arising under an insurance contract but who do not adjust losses or determine the payment of claims; (6) persons who perform only executive, administrative, managerial or clerical duties, or any combination thereof, but do not investigate or settle claims for coverage arising under an insurance contract; (7) licensed health care providers or any employees thereof who provide managed care services if those services do not include the determination of compensability; (8) managed care organizations or any employees thereof or organizations that provide managed care services or any employees thereof if the services provided do not include the determination of compensability; (9) persons who settle only reinsurance or subrogation claims; (10) brokers, agents or representatives of risk retention groups; (11) attorneys-in-fact of reciprocal insurers; and (12) managers of branch offices of alien insurers that are located in the United States.

Section 6 of this bill revises provisions concerning applications for licensure submitted by an applicant that is a firm or corporation rather than a natural person.
