AN ACT relating to the Fund for the Compensation of Victims of Crime; revising provisions governing the disbursement of money from the Fund; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Under existing law, the victims of certain crimes, the dependents of those
2 victims and certain members of the victim’s household or immediate family are
3 authorized to apply to the State Board of Examiners for compensation from the
4 Fund for the Compensation of Victims of Crime for certain expenses and losses.
5 (NRS 217.070, 217.100, 217.102, 217.160, 217.200, 217.260) Certain
6 administrative expenses are also paid with money from the Fund. The Board is
7 required under existing law to estimate quarterly the revenue in the Fund which is
8 available for the payment of compensation and the anticipated expenses for the next
9 quarter. If the estimated expenses for the quarter exceed the available revenue, all
10 claims paid in that quarter are required to be reduced in the same proportion as the
11 expenses exceeded the revenue. (NRS 217.260) This bill eliminates this
12 administrative requirement and requires instead that the money in the Fund be
13 disbursed in accordance with the rules and regulations adopted by the Board. The
14 Board is exempt from the requirements of the Nevada Administrative Procedure
15 Act with respect to its adoption of such rules and regulations. (NRS 233B.039)
