AN ACT relating to the Department of Motor Vehicles; limiting the purposes for which the Director of the Department is allowed to release certain personal information; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Under existing law, the Director of the Department of Motor Vehicles is  
2 allowed to release lists of license plate numbers and personally identifiable  
3 information that is requested by the presentation of a license plate number if a  
4 person is authorized to obtain such information pursuant to a contract entered into  
5 with the Department and if such information is requested for the purpose of an  
6 advisory notice relating to a motor vehicle or the recall of a motor vehicle or for the  
7 purpose of providing information concerning the history of a vehicle.  
8 (NRS 481.063) This bill limits the release of such information to the context in  
9 which the information is requested for the purpose of an advisory notice relating to  
10 the recall of a motor vehicle.

11 Existing law also provides that if a person or governmental entity provides a  
12 description of the information requested and its proposed use and signs an affidavit  
13 to that effect, the Director of the Department of Motor Vehicles may, under certain  
14 circumstances, release any personal information, except a photograph, from a file  
15 or record relating to a driver’s license, identification card, or title or registration of  
16 a vehicle for use in the bulk distribution of surveys, marketing material or  
17 solicitations. (NRS 481.063) This bill eliminates the authority of the Director to  
18 release personal information for use in the bulk distribution of surveys, marketing  
19 material or solicitations.
