AN ACT relating to the Legislature; revising the number of legislative measures that Legislators are authorized to request; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law limits the number of legislative measures that Legislators are
2 authorized to request for a regular legislative session. (NRS 218D.150)

3 This bill decreases the number of legislative measures that incumbent members
4 of the Assembly are authorized to request preceding a regular session: (1) from 6 to
5 on or before September 1; and (2) from 5 to 4 after September 1 but on or before
6 December 10. This bill also decreases from 5 to 4 the number of measures that
7 newly elected members of the Assembly are authorized to request on or before
8 December 10 preceding a regular session.

9 This bill decreases the number of legislative measures that incumbent members
10 of the Senate are authorized to request preceding a regular session: (1) from 12 to
11 10 on or before September 1; and (2) from 10 to 8 after September 1 but on or
12 before December 10. This bill also decreases from 10 to 8 the number of measures
13 that newly elected members of the Senate are authorized to request on or before
14 December 10 preceding a regular session.

15 This bill also authorizes in statute an additional 2 legislative measures for each
16 member of the Assembly and Senate to request during the first 8 calendar days of
17 the regular session. Historically, these additional requests have been authorized in
18 the Joint Rules. (See, e.g., Joint Rule No. 14 of the 77th Regular Session)
