AN ACT relating to district attorneys; revising provisions governing the filling of vacancies in the office of district attorney; requiring that an office of district attorney which has been vacated be placed on the ballot at the next ensuing biennial election under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth generally applicable provisions that govern the filling of vacancies in county offices if a specific statute is not applicable. (NRS 245.170) Existing law also sets forth specific provisions that govern the filling of vacancies in the office of district attorney, including a provision that a person who is appointed as a permanent replacement for a district attorney serves the remainder of the unexpired 4-year term of office. (NRS 252.060)

This bill provides that the generally applicable provisions of NRS 245.170 govern the appointment of a permanent replacement for a district attorney, the length of service of the appointee and the election of a successor, including the requirement that an office of district attorney for which a permanent replacement is appointed be placed on the ballot at the next ensuing biennial election if the office: (1) is vacated at least 30 days before the date upon which a person must declare his or her candidacy for the office; and (2) is not otherwise scheduled for election at the next ensuing biennial election.
