AN ACT relating to offenders; clarifying provisions governing credits earned by an offender which reduce the term of imprisonment of the offender; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Under existing law, certain offenders who have been sentenced to a term of imprisonment generally may earn certain amounts of credit for various achievements. Any amount of credit earned is applied to the length of the offender's term of imprisonment and thereby reduces the offender's sentence. (NRS 209.432-209.451) This bill: (1) clarifies that an offender may not earn more than the amount of credit required to expire his or her sentence; and (2) specifies that such a provision shall not be construed to reduce retroactively the amount of credit earned by an offender if doing so would constitute a violation under the Constitution of the United States or the Constitution of the State of Nevada.
