CHAPTER.....

AN ACT relating to contracts; prohibiting a local government, the Administrator of the Purchasing Division of the Department of Administration and a board of trustees of a school district from joining, using or entering into certain contracts or agreements; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes: (1) a local government and the State of Nevada to join or use contracts of local governments located within this State or another state if authorized by the contracting vendor; and (2) a local government to join or use the contracts of the State of Nevada or another state if authorized by the contracting vendor. (NRS 332.195) Existing law also authorizes the Administrator of the Purchasing Division of the Department of Administration to enter into an agreement for supplies, materials or equipment with a vendor who has entered into an agreement with the federal General Services Administration or certain other governmental agencies under certain circumstances. (NRS 333.480) Existing law further provides that, if a board of trustees of a school district enters into an agreement with another school district for the consolidation or sharing of services, functions or personnel, the board of trustees may join in any applicable contracts of the other school district. (NRS 386.353) This bill prohibits a local government, the Administrator and the board of trustees of a school district from joining, using or entering into a contract or agreement pursuant to those provisions if a license issued pursuant to chapter 624 of NRS governing contractors is required for any portion of the contract or agreement.

Existing law provides that any contract for the purchase of any supplies, materials or equipment by any state officer, department, institution, board, commission or agency is void if it is contrary to the statutory and regulatory provisions governing state purchasing. Existing law further provides that the head of the using agency and the employee who entered into such a contract are personally liable for the costs of the supplies, materials or equipment. (NRS 333.810) **Section 2** of this bill makes this provision applicable to an agreement entered into by the Administrator which is contrary to the amendatory provisions of that section.
