AN ACT relating to public schools; requiring consistency in zoning ordinances with respect to certain standards and specifications for the construction or alteration of public schools in certain counties; requiring the approval of the board of trustees of the school district of such standards and specifications; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law provides that in a county whose population is less than 700,000
2 (currently all counties other than Clark County), certain plans, designs and
3 specifications for the erection of any new school building or for any addition to or
4 alteration of an existing school building must be submitted by the board of trustees
5 of the school district to the building department of the county or other appropriate
6 local government for approval. (NRS 393.110) **Section 1.3** of this bill requires that
7 in a county whose population is 100,000 or more but less than 700,000 (currently
8 Washoe County), the standards and specifications for the erection of any new
9 school building or for any addition to or alteration of an existing school building in
10 any ordinance relating to zoning adopted or amended by the governing body of the
11 county and the governing body of any city in the county which address the height
12 of the building, the setback of the building, the landscaping and the amount of
13 parking space must be: (1) consistent in all such ordinances; and (2) approved by

14 the board of trustees of the school district of that county. **Section 3** of this bill
15 requires such ordinances to be adopted on or before February 28, 2014.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** (Deleted by amendment.)

2 **Sec. 1.3.** Chapter 278 of NRS is hereby amended by adding
3 thereto a new section to read as follows:
