AN ACT relating to real property; authorizing the owner of a single-family dwelling to request the servicer of a mortgage or deed of trust to produce certified copies of certain loan-related documents under certain circumstances; authorizing the owner to report noncompliance to certain state regulatory bodies; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law regulates loans secured by mortgages or deeds of trust on real
2 property and imposes certain requirements on lenders and servicers concerning
3 those mortgages or deeds of trust. (Chapters 106 and 107 of NRS) Existing law also
4 authorizes the Division of Mortgage Lending and the Division of Financial
5 Institutions of the Department of Business and Industry to license and regulate
6 certain lenders and servicers. (Chapters 645B, 645E and 645F of NRS, titles 55 and
7 56 of NRS)
8 This bill amends the respective statutory chapters governing mortgages and
9 deeds of trust to provide that under certain circumstances, the owner of a single-
10 family dwelling that is subject to a mortgage or deed of trust may submit a written
11 request to the servicer of the mortgage or deed of trust for a certified copy of the
12 note, the mortgage or deed of trust and each assignment of the mortgage or deed of
13 trust. If the servicer does not provide the requested documents within 60 days after
14 receipt of the request, or if those documents indicate that the mortgagee or
15 beneficiary of the deed of trust does not have a recorded interest in or lien on the
16 single-family dwelling, the owner may report the servicer and the mortgagee or
17 beneficiary of the deed of trust to the Division of Mortgage Lending or the Division
18 of Financial Institutions, whichever is appropriate, which may take whatever
19 actions it deems necessary and proper, including enforcing any applicable laws or
20 regulations or adopting any additional regulations.
