AN ACT relating to tourism improvement districts; prohibiting the pledge of the proceeds of certain taxes to finance a project within a tourism improvement district created on or after July 1, 2013; revising provisions relating to certain reports prepared by the Department of Taxation; prohibiting the financing or reimbursement of certain projects that include the relocation of certain retail facilities to a tourism improvement district; making various other changes relating to tourism improvement districts; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law authorizes the governing body of any city or county to create a tourism improvement district (TID) and to pledge revenue from several sales and use taxes imposed in that district to finance certain projects within the district. The projects may be owned by the municipality, another governmental entity or any person and may be financed through the issuance of bonds or the entry into agreements for the reimbursement of the costs of the projects. (Chapter 271A of NRS) **Section 1** of this bill prohibits a municipality from pledging the proceeds of certain taxes to finance a project within a TID created on or after July 1, 2013.

Existing law requires the Department of Taxation to prepare and submit to the Legislature and a municipality that creates a TID semiannual reports regarding businesses within the TID. (NRS 271A.105) **Section 2** of this bill requires the

12 report to provide information separately for each TID within the municipality  
13 unless the reporting of information separately for each TID would disclose or result  
14 in the disclosure of information about an individual business, in which case **section**  
15 **2** requires the report to provide information in the aggregate. **Section 2** also  
16 provides that the Department of Taxation is not required to prepare and submit a  
17 semiannual report if the report cannot be prepared and submitted in a manner which  
18 would not disclose or lead to the disclosure of information about an individual  
19 business.

20 Existing law prohibits, with respect to a TID created on or after July 1, 2011,  
21 the financing of or reimbursement for a project that includes the relocation within  
22 the TID of a retailer from another location within 3 miles outside of the boundary  
23 of the TID. (NRS 271A.125) **Section 3** of this bill prohibits the financing of or  
24 reimbursement for a project that includes the relocation of a retailer to a TID from  
25 another location within the county within 6 months after closing the location  
26 outside of the TID. **Section 3** also provides an exception to this prohibition if the  
27 governing body of the municipality, with respect to any district created before  
28 July 1, 2013, obtains an opinion from independent bond counsel stating that the  
29 applicability of the provision would impair an existing contract for the sale of  
30 bonds that were issued before July 1, 2013.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:
