

CHAPTER.....

AN ACT relating to marriage; removing the prospective expiration of provisions providing for the establishment of county programs for the issuance of marriage licenses by certain commercial wedding chapels; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law provides that before two people may be joined in marriage, they must obtain a marriage license from a county clerk or an authorized commercial wedding chapel in the State. (NRS 122.040, 122.0615) Legislation passed during the 76th Legislative Session provides for the establishment of temporary county programs for the issuance of marriage licenses by certain commercial wedding chapels. (Chapter 359, Statutes of Nevada 2011, p. 2046) This bill removes the prospective expiration for such provisions, making the provisions for such programs permanent.
