SENATE JOINT RESOLUTION—Urging Congress to reintroduce and pass the Marketplace Fairness Act.

1        WHEREAS, In the case of *National Bellas Hess, Inc. v. Department of Revenue*, 386 U.S. 753 (1967), the United States  
2 Supreme Court held, in relevant part, that Congress alone has the power to regulate and control the taxation of commerce which is  
3 conducted between a business that is located within one state, and a customer who is located in another state and who communicates  
4 with and purchases from the business using only remote means; and

5        WHEREAS, The United States Supreme Court established in *Quill Corp. v. North Dakota*, 504 U.S. 298 (1992), that a state  
6 government cannot, of its own accord, require out-of-state retailers  
7 to collect sales tax on sales within the state; and

8        WHEREAS, The United States Supreme Court also announced in *Quill* that Congress could exercise its authority under the Commerce  
9 Clause of the United States Constitution to decide whether, when  
10 and to what extent the states may require collection of sales tax on  
11 remote sales; and

12      WHEREAS, The State of Nevada and municipalities within this  
13 State receive significant operating revenue from sales taxes  
14 collected by brick-and-mortar businesses and online vendors with a  
15 nexus to the State and from use taxes on purchases made online

1 through vendors without a brick-and-mortar location in the State;  
2 and

3 WHEREAS, Remittance of use taxes not collected by a vendor  
4 from online purchases puts an undue burden and widely unknown  
5 obligation on consumers; and

6 WHEREAS, The unequal taxation schemes as between online and  
7 traditional retailers create a disadvantage for Nevada-based retailers,  
8 who are rooted and invested in the Nevada community and employ  
9 residents of this State; and

10 WHEREAS, The tax collection loophole for online retailers  
11 deprives local governments of revenue that could be used to fund  
12 necessities such as schools, police and fire departments, and other  
13 important infrastructure; and

14 WHEREAS, The Marketplace Fairness Act, S. 1832, 112th Cong.  
15 (2011), proposes to provide states with the authority to require out-  
16 of-state retailers, such as online and catalog retailers, to collect and  
17 remit sales tax on purchases shipped into the state; and

18 WHEREAS, The State of Nevada has enacted the Simplified  
19 Sales and Use Tax Administration Act, chapter 360B of NRS, which  
20 is in compliance with the Marketplace Fairness Act, S. 1832, 112th  
21 Cong. § 3 (2011); now, therefore, be it

22 RESOLVED BY THE SENATE AND ASSEMBLY OF THE STATE OF  
23 NEVADA, JOINTLY, That the members of the 77th Session of the  
24 Nevada Legislature urge Congress to reintroduce and pass the  
25 Marketplace Fairness Act, or successor legislation substantially  
26 similar thereto, without delay; and be it further

27 RESOLVED, That the Secretary of the Senate prepare and  
28 transmit a copy of this resolution to the Vice President of the United  
29 States as the presiding officer of the United States Senate, the  
30 Speaker of the House of Representatives, each member of the  
31 Nevada Congressional Delegation and the Executive Director of  
32 the Department of Taxation; and be it further

33 RESOLVED, That this resolution becomes effective upon  
34 passage.
