AN ACT relating to elections; requiring the Department of Motor Vehicles and certain courts to provide to the Secretary of State and relevant county clerk information related to persons who may not be citizens of the United States; requiring a county clerk to cancel the voter registration of certain persons; providing, with limited exception, that certain information relating to elections or voter registration which is confidential or not a public record is also not subject to discovery or subpoena; providing that the Department is not required to give an application to register to vote to certain persons who apply for driver authorization cards; requiring the Secretary of State to adopt certain regulations; requiring a person who claims that he or she is not qualified to act as a juror because he or she is not a citizen of the United States to submit a written affirmation for purposes of verifying that the person is not a registered voter; making various other changes relating to voter registration; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Existing law sets forth qualifications for voting in this State, including that a  
2 voter must be a citizen of the United States. (Nev. Const. Art. 2, § 1) Existing law  
3 requires a county clerk to cancel the registration of a voter under certain  
4 circumstances, including that a person is not a citizen of the United States. (NRS  
5 293.535, 293.540, 293.541) **Sections 2 and 3** of this bill require, with limited  
6 exceptions, a county clerk to cancel the voter registration of a person if the county

7 clerk receives certain information from the Department of Motor Vehicles or a  
8 court indicating that the person may not be a United States citizen. Before the  
9 county clerk cancels the voter registration of the person, **sections 2 and 8** require  
10 the person to be given certain notice that his or her voter registration will be  
11 cancelled. **Sections 2 and 3** provide that a county clerk is not required to cancel the  
12 voter registration of a person or remove a person's name from the statewide voter  
13 registration less than 90 days before a primary or general election if doing so is  
14 prohibited by federal law.

15 Existing law requires the Department of Motor Vehicles to provide an  
16 application to register to vote to each person who applies for the issuance or  
17 renewal of a driver's license or identification card. (NRS 293.524) **Section 5** of this  
18 bill provides that the Department is not required to provide an application to  
19 register to vote to a person who applies for the issuance of a driver authorization  
20 card if the person is not a citizen of the United States. **Section 5** also requires the  
21 Secretary of State to adopt regulations establishing a procedure to ensure that a  
22 person who is not a citizen of the United States does not submit an application to  
23 register to vote at the Department.

24 **Section 8** of this bill requires a court of this State to notify the county clerk and  
25 Secretary of State if a person summoned for service on a jury claims to be ineligible  
26 because he or she is not a citizen of the United States for purposes of verifying that  
27 the person is not a registered voter.

28 Existing law provides that certain information relating to elections or voter  
29 registration is confidential or is not a public record. (NRS 293.503, 293B.135,  
30 293D.510) **Section 3.5** of this bill provides that any such information is also not  
31 subject to discovery or subpoena in a civil action or criminal prosecution absent the  
32 consent of the person about whom the information pertains. This provision also  
33 would apply to the information declared to be confidential and not a public record  
34 pursuant to **sections 2, 3 and 8**.
