

Senate Bill No. 110—Senator Goicoechea

CHAPTER.....

AN ACT relating to vehicles; authorizing a person to apply for title to an abandoned recreational vehicle in certain circumstances; providing that a person who owns private property on which a recreational vehicle has been abandoned has a lien on the recreational vehicle; requiring a municipal solid waste landfill to accept a recreational vehicle for disposal under certain circumstances; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Existing law provides that certain persons who store, maintain, keep, repair or furnish facilities or services for certain vehicles have a lien on such a vehicle. After providing notice to the owner of a vehicle on which such a lien is held, the vehicle may be sold to satisfy the lien. Any proceeds from such a sale in excess of those necessary to satisfy the lien must be returned to the owner of the vehicle. (NRS 108.270-108.367) **Section 1.4** of this bill provides that a person who owns private property on which a recreational vehicle is abandoned has a lien on the recreational vehicle. **Sections 1 and 1.2** of this bill set forth a procedure by which a person may obtain title to a recreational vehicle abandoned on private property after attempting to provide notice to the owner.

Existing law sets forth the procedure for disposal of an abandoned vehicle. (NRS 487.205-487.300) **Section 2** of this bill requires a municipal solid waste landfill to accept a recreational vehicle for disposal if: (1) the person disposing of the recreational vehicle pays any applicable fee and provides the title to the recreational vehicle which indicates that he or she is the owner of the vehicle; and (2) accepting the recreational vehicle for disposal does not violate any applicable federal or state law concerning the operation of the municipal solid waste landfill.
