

Senate Bill No. 14—Committee on  
Health and Human Services

CHAPTER.....

AN ACT relating to public welfare; revising the membership of the Pharmacy and Therapeutics Committee within the Department of Health and Human Services; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

The Pharmacy and Therapeutics Committee within the Department of Health and Human Services identifies and reviews the prescription drugs which should be included on the list of preferred prescription drugs for the Medicaid program. (NRS 422.4025, 422.405) The Committee consists of at least 9 and not more than 11 members appointed by the Governor who must be health care professionals with certain knowledge and expertise. Additionally, at least one-third and not more than 51 percent of the members must be active physicians licensed to practice medicine in this State, and at least one-third but not more than 51 percent of the members must be active pharmacists registered in this State or persons in this State with a doctoral degree in pharmacy.

This bill revises the membership of the Committee to consist of at least 5 and not more than 11 members and to eliminate the maximum limits on the number of members who may be active physicians or pharmacists or persons with a doctoral degree in pharmacy.
