AN ACT relating to motor vehicles; providing that a person who drives through a roadblock established because of flooding is liable for the expenses of any emergency response required to assist the driver or any passenger, or to move or remove the vehicle from the area; providing an exception; providing that a person convicted of reckless driving for driving a vehicle into an area that is temporarily covered with water may be liable for the expenses of any emergency response required to assist the driver or any passenger, or to move or remove the vehicle from the area; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Under existing law, police officers may establish temporary roadblocks upon
2 the highways of this State to control traffic at or near the scene of a potential or
3 existing emergency or hazard. (NRS 484B.573) A person who unlawfully proceeds
4 through a temporary roadblock shall be punished for a gross misdemeanor, or for a
5 category B felony if the person is the direct cause of a death or substantial bodily
6 harm to any person or damage to property in excess of \$1,000. (NRS 484B.580)
7 This bill provides that a person who unlawfully proceeds through a temporary
8 roadblock that is established because of flooding or water on the roadway is liable
9 for the expenses of any emergency response that is required to: (1) remove the

10 driver or any passenger from the vehicle; (2) move or remove the vehicle from the
11 roadway or any area near the roadway where the vehicle creates a hazard; or (3)
12 both (1) and (2). A person is immune from liability for such expenses if the person
13 unlawfully proceeds through a temporary roadblock for the purpose of making a
14 good faith effort to assist another person who is or appears to be in danger as a
15 result of flooding or water on the roadway.

16 Existing law provides that certain acts constitute reckless driving, such as
17 driving a vehicle in willful or wanton disregard of the safety of persons or property,
18 or willfully failing or refusing to stop a vehicle when given certain signals by a
19 peace officer. (NRS 484B.550, 484B.653) This bill provides that a person who is
20 convicted of reckless driving for driving a vehicle into any area that is temporarily
21 covered as a result of a rise in water level may be liable for the expenses of any
22 emergency response that is required to: (1) remove the driver or any passenger from
23 the vehicle; (2) move or remove the vehicle from the area; or (3) both (1) and (2).
