

CHAPTER.....

AN ACT relating to local governments; requiring the governing body of a local government to make certain information available to the public before the governing body meets to approve a collective bargaining agreement or similar agreement; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

If a local government employer is a party to a collective bargaining agreement or similar agreement, existing law requires that the agreement be approved at a public hearing by the governing body of the local government employer. (NRS 288.153) **Section 1** of this bill requires that a copy of the proposed agreement and certain supporting material relating to the agreement be made available to the public not less than 3 business days before the hearing, either by posting the documents on the Internet website of the local government or, if the local government does not have such a website, by depositing the documents with the clerk of the governing body. Any document so deposited is a public record and must be open for public inspection.

Existing law provides for the public dissemination of any supporting material provided to a public body in connection with a meeting of the body, and establishes the time within which such material must be made available to the public. (NRS 241.020) **Section 2** of this bill revises those provisions to conform with the requirements of **section 1**.

Sec. 2. NRS 241.020 is hereby amended to read as follows:

241.020 1. Except as otherwise provided by specific statute, all meetings of public bodies must be open and public, and all persons must be permitted to attend any meeting of these public bodies. A meeting that is closed pursuant to a specific statute may only be closed to the extent specified in the statute allowing the meeting to be closed. All other portions of the meeting must be open and public, and the public body must comply with all other provisions of this chapter to the extent not specifically precluded by the specific statute. Public officers and employees responsible for these meetings shall make reasonable efforts to assist and accommodate persons with physical disabilities desiring to attend.

2. Except in an emergency, written notice of all meetings must be given at least 3 working days before the meeting. The notice must include:

(a) The time, place and location of the meeting.

(b) A list of the locations where the notice has been posted.

(d) An agenda consisting of:

(1) A clear and complete statement of the topics scheduled to be considered during the meeting.

(2) A list describing the items on which action may be taken and clearly denoting that action may be taken on those items by placing the term "for possible action" next to the appropriate item or, if the item is placed on the agenda pursuant to NRS 241.0365, by placing the term "for possible corrective action" next to the appropriate item.

(3) Periods devoted to comments by the general public, if any, and discussion of those comments. Comments by the general public must be taken:

➔ The provisions of this subparagraph do not prohibit a public body from taking comments by the general public in addition to what is required pursuant to sub-subparagraph (I) or (II). Regardless of whether a public body takes comments from the general public pursuant to sub-subparagraph (I) or (II), the public body must allow the general public to comment on any matter that is not specifically included on the agenda as an action item at some time before adjournment of the meeting. No action may be taken upon a matter raised during a period devoted to comments by the general public until the matter itself has been specifically included on an agenda as an item upon which action may be taken pursuant to subparagraph (2).

(4) If any portion of the meeting will be closed to consider the character, alleged misconduct or professional competence of a person, the name of the person whose character, alleged misconduct or professional competence will be considered.

which the meeting is to be held, and at not less than three other separate, prominent places within the jurisdiction of the public body not later than 9 a.m. of the third working day before the meeting;

(b) Posting the notice on the official website of the State pursuant to NRS 232.2175 not later than 9 a.m. of the third working day before the meeting is to be held, unless the public body is unable to do so because of technical problems relating to the operation or maintenance of the official website of the State; and

Notice posted pursuant to this subsection is supplemental to and is not a substitute for the minimum public notice required pursuant to subsection 3. The inability of a public body to post notice of a meeting pursuant to this subsection as a result of technical problems with its website shall not be deemed to be a violation of the provisions of this chapter.

5. Upon any request, a public body shall provide, at no charge, at least one copy of:

(2) Pertaining to the closed portion of such a meeting of the public body; or

(3) Declared confidential by law, unless otherwise agreed to by each person whose interest is being protected under the order of confidentiality.

↳ The public body shall make at least one copy of the documents described in paragraphs (a), (b) and (c) available to the public at the meeting to which the documents pertain. As used in this subsection, “proprietary information” has the meaning ascribed to it in NRS 332.025.

7. ~~1B~~ *Unless the supporting material must be posted at an earlier time pursuant to NRS 288.153, the* governing body of a county or city whose population is 45,000 or more shall post the supporting material described in paragraph (c) of subsection 5 to its website not later than the time the material is provided to the members of the governing body or, if the supporting material is provided to the members of the governing body at a meeting, not later than 24 hours after the conclusion of the meeting. Such posting is supplemental to the right of the public to request the supporting material pursuant to subsection 5. The inability of the governing body, as a result of technical problems with its website, to post supporting material pursuant to this subsection shall not be deemed to be a violation of the provisions of this chapter.

8. A public body may provide the public notice, information or supporting material required by this section by electronic mail. Except as otherwise provided in this subsection, if a public body makes such notice, information or supporting material available by electronic mail, the public body shall inquire of a person who requests the notice, information or supporting material if the person will accept receipt by electronic mail. If a public body is required to

post the public notice, information or supporting material on its website pursuant to this section, the public body shall inquire of a person who requests the notice, information or supporting material if the person will accept by electronic mail a link to the posting on the website when the documents are made available. The inability of a public body, as a result of technical problems with its electronic mail system, to provide a public notice, information or supporting material or a link to a website required by this section to a person who has agreed to receive such notice, information, supporting material or link by electronic mail shall not be deemed to be a violation of the provisions of this chapter.

9. As used in this section, “emergency” means an unforeseen circumstance which requires immediate action and includes, but is not limited to:

(a) Disasters caused by fire, flood, earthquake or other natural causes; or

(b) Any impairment of the health and safety of the public.
