AN ACT relating to education; requiring the Department of Education to maintain an Internet website for public high schools to provide information on career pathways in science, technology, engineering and mathematics; requiring pupils enrolled in certain public schools to complete a course in computer science; requiring the board of trustees of each school district and the governing body of each charter school to ensure access to certain professional development training for teachers and administrators; requiring the board of trustees of each school district and governing body of each charter school to schedule a certain number of days of professional development for teachers and administrators; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

- 1 **Section 1** of this bill requires the Department of Education to maintain an
- 2 Internet website for use by each public high school to provide information relating
- 3 to career pathways in science, technology, engineering and mathematics.
- 4 Existing law establishes the academic subjects, standards and courses of study
- 5 for public schools in this State. (Chapter 389 of NRS) **Section 2** of this bill requires

6 that all pupils enrolled in public high schools in this State, including charter schools
7 and state facilities for the detention of children, complete at least 1/2 unit of credit
8 in computer science to receive a certificate or diploma of graduation. **Sections 3**
9 **and 4** of this bill make conforming changes.

10 **Section 5** of this bill requires the board of trustees of each school district and
11 the governing body of each charter school to ensure that the teachers and
12 administrators employed by the school district or charter school have access to
13 high-quality, ongoing professional development training which must address the
14 academic standards adopted by the State Board of Education, including the
15 academic standards for science based on the Next Generation Science Standards
16 and the curriculum and instruction required for science, technology, engineering
17 and mathematics.

18 **Section 6** of this bill requires the board of trustees of each school district and
19 the governing body of each charter school to schedule for the professional
20 development of the teachers and administrators employed by the school district or
21 charter school: (1) for the 2015-2016 school year, 1 day in addition to the number
22 of days provided for professional development during the 2014-2015 school year;
23 and (2) for the 2016-2017 school year, 2 days in addition to the number of days
24 provided for professional development during the 2014-2015 school year.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** Chapter 388 of NRS is hereby amended by adding
2 thereto a new section to read as follows:

3 *The Department shall maintain an Internet website for use by*
4 *each public high school to provide information and raise*
5 *awareness of career pathways in the fields of science, technology,*
6 *engineering and mathematics.*

7 **Sec. 2.** Chapter 389 of NRS is hereby amended by adding
8 thereto a new section to read as follows:

9 *No pupil in any public high school, the Caliente Youth Center,*
10 *the Nevada Youth Training Center or any other state facility for*
11 *the detention of children that is operated pursuant to title 5 of*
12 *NRS, may receive a certificate or diploma of graduation without*
13 *having completed at least 1/2 unit of credit in computer science.*

14 **Sec. 3.** NRS 389.018 is hereby amended to read as follows:

15 389.018 1. The following subjects are designated as the core
16 academic subjects that must be taught, as applicable for grade
17 levels, in all public schools, the Caliente Youth Center, the Nevada
18 Youth Training Center and any other state facility for the detention
19 of children that is operated pursuant to title 5 of NRS:

- 20 (a) English, including reading, composition and writing;
21 (b) Mathematics;
22 (c) Science; and
23 (d) Social studies, which includes only the subjects of history,
24 geography, economics and government.

1 2. Except as otherwise provided in this subsection, a pupil
2 enrolled in a public high school must enroll in a minimum of:

3 (a) Four units of credit in English;

4 (b) Four units of credit in mathematics, including, without
5 limitation, Algebra I and geometry, or an equivalent course of study
6 that integrates Algebra I and geometry;

7 (c) Three units of credit in science, including two laboratory
8 courses; and

9 (d) Three units of credit in social studies, including, without
10 limitation:

11 (1) American government;

12 (2) American history; and

13 (3) World history or geography.

14 ↪ A pupil is not required to enroll in the courses of study and
15 credits required by this subsection if the pupil, the parent or legal
16 guardian of the pupil and an administrator or a counselor at the
17 school in which the pupil is enrolled mutually agree to a modified
18 course of study for the pupil and that modified course of study
19 satisfies at least the requirements for a standard high school diploma
20 or an adjusted diploma, as applicable.

21 3. Except as otherwise provided in this subsection, in addition
22 to the core academic subjects, the following subjects must be taught
23 as applicable for grade levels and to the extent practicable in all
24 public schools, the Caliente Youth Center, the Nevada Youth
25 Training Center and any other state facility for the detention of

31 (d) Physical education.

32 ↪ If the State Board requires the completion of course work in a
33 subject area set forth in this subsection for graduation from high
34 school or promotion to the next grade, a public school shall offer the
35 required course work. Except as otherwise provided for a course of
36 study in health prescribed by subsection 1 of NRS 389.0185, unless
37 a subject is required for graduation from high school or promotion
38 to the next grade, a charter school is not required to comply with
39 this subsection.

40 **Sec. 4.** NRS 389.520 is hereby amended to read as follows:

41 389.520 1. The Council shall:

42 (a) Establish standards of content and performance, including,
43 without limitation, a prescription of the resulting level of
44 achievement, for the grade levels set forth in subsection 3, based

1 upon the content of each course, that is expected of pupils for the
2 following courses of study:

- 3 (1) English, including reading, composition and writing;
- 4 (2) Mathematics;
- 5 (3) Science;
- 6 (4) Social studies, which includes only the subjects of
7 history, geography, economics and government;
- 8 (5) The arts;
- 9 (6) Computer education and technology **ET** , *including*
10 *computer science*;
- 11 (7) Health; and
- 12 (8) Physical education.

13 (b) Establish a schedule for the periodic review and, if
14 necessary, revision of the standards of content and performance. The
15 review must include, without limitation, the review required
16 pursuant to NRS 389.570 of the results of pupils on the
17 examinations administered pursuant to NRS 389.550.

18 (c) Assign priorities to the standards of content and performance
19 relative to importance and degree of emphasis and revise the
20 standards, if necessary, based upon the priorities.

21 2. The standards for computer education and technology must
22 include a policy for the ethical, safe and secure use of computers
23 and other electronic devices. The policy must include, without
24 limitation:

25 (a) The ethical use of computers and other electronic devices,
26 including, without limitation:

27 (1) Rules of conduct for the acceptable use of the Internet
28 and other electronic devices; and

29 (2) Methods to ensure the prevention of:

30 (I) Cyber-bullying;

31 (II) Plagiarism; and

32 (III) The theft of information or data in an electronic
33 form;

34 (b) The safe use of computers and other electronic devices,
35 including, without limitation, methods to:

36 (1) Avoid cyber-bullying and other unwanted electronic
37 communication, including, without limitation, communication with
38 on-line predators;

39 (2) Recognize when an on-line electronic communication is
40 dangerous or potentially dangerous; and

41 (3) Report a dangerous or potentially dangerous on-line
42 electronic communication to the appropriate school personnel;

43 (c) The secure use of computers and other electronic devices,
44 including, without limitation:

1 (1) Methods to maintain the security of personal identifying
2 information and financial information, including, without limitation,
3 identifying unsolicited electronic communication which is sent for
4 the purpose of obtaining such personal and financial information for
5 an unlawful purpose;

6 (2) The necessity for secure passwords or other unique
7 identifiers;

8 (3) The effects of a computer contaminant;

9 (4) Methods to identify unsolicited commercial material; and

10 (5) The dangers associated with social networking Internet
11 sites; and

12 (d) A designation of the level of detail of instruction as
13 appropriate for the grade level of pupils who receive the instruction.

14 3. The Council shall establish standards of content and
15 performance for each grade level in kindergarten and grades 1 to 8,
16 inclusive, for English and mathematics. The Council shall establish
17 standards of content and performance for the grade levels selected
18 by the Council for the other courses of study prescribed in
19 subsection 1.

20 4. The Council shall forward to the State Board the standards
21 of content and performance established by the Council for each
22 course of study. The State Board shall:

23 (a) Adopt the standards for each course of study, as submitted
24 by the Council; or

25 (b) If the State Board objects to the standards for a course of
26 study or a particular grade level for a course of study, return those
27 standards to the Council with a written explanation setting forth the
28 reason for the objection.

29 5. If the State Board returns to the Council the standards of
30 content and performance for a course of study or a grade level, the
31 Council shall:

32 (a) Consider the objection provided by the State Board and
33 determine whether to revise the standards based upon the objection;
34 and

35 (b) Return the standards or the revised standards, as applicable,
36 to the State Board.

37 ➤ The State Board shall adopt the standards of content and
38 performance or the revised standards, as applicable.

39 6. The Council shall work in cooperation with the State Board
40 to prescribe the examinations required by NRS 389.550.

41 7. As used in this section:

42 (a) "Computer contaminant" has the meaning ascribed to it in
43 NRS 205.4737.

44 (b) "Cyber-bullying" has the meaning ascribed to it in
45 NRS 388.123.

1 (c) "Electronic communication" has the meaning ascribed to it
2 in NRS 388.124.

3 **Sec. 5.** Chapter 391 of NRS is hereby amended by adding
4 thereto a new section to read as follows:

5 *The board of trustees of each school district and the governing*
6 *body of each charter school shall ensure that the teachers and*
7 *administrators employed by the school district or charter school*
8 *have access to high-quality, ongoing professional development*
9 *training. The professional development training must address,*
10 *without limitation:*

11 *1. The academic standards adopted by the State Board,*
12 *including the academic standards for science based on the Next*
13 *Generation Science Standards; and*

14 *2. The curriculum and instruction required for science,*
15 *technology, engineering and mathematics.*

16 **Sec. 6.** The board of trustees of each school district and the
17 governing body of each charter school shall:

18 1. For the 2015-2016 school year, schedule 1 day in addition to
19 the number of days provided during the 2014-2015 school year, for
20 the professional development of teachers and administrators
21 employed by the school district or charter school.

22 2. For the 2016-2017 school year, schedule 2 days in addition
23 to the number of days provided during the 2014-2015 school year,
24 for the professional development of teachers and administrators
25 employed by the school district or charter school.

26 **Sec. 7.** 1. There is hereby appropriated from the State
27 General Fund to the Department of Education for Fiscal Year 2015-
28 2016 the sum of \$12,000,000 for allocation to school districts to
29 provide professional development to teachers and administrators in
30 public schools for the purposes of this act.

31 2. The Department of Education shall distribute the money
32 from the appropriation made by subsection 1 as follows:

33 (a) To the Clark County School District, \$7,200,000 to provide
34 professional development training to teachers and administrators
35 employed by the school district.

36 (b) To the Washoe County School District, \$3,600,000 to
37 provide professional development training to teachers and
38 administrators employed by the school district.

39 (c) To the Department of Education, \$600,000 for grants among
40 the remaining school districts to provide professional development
41 training to teachers and administrators employed by those school
42 districts.

43 (d) To the Department of Education, \$600,000 for distribution
44 among the three regional training programs to provide professional
45 development training to teachers and administrators.

1 3. Any remaining balance of the appropriation made by
2 subsection 1 must not be committed for expenditure after June 30,
3 2016, by either the entity to which the money was appropriated
4 or the entity to which the money was subsequently granted or
5 transferred, and must be reverted to the State General Fund on or
6 before September 16, 2016.

7 **Sec. 8.** This act becomes effective on July 1, 2015.
