AN ACT relating to county government; revising the membership of the county fair and recreation board of certain counties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law establishes a county fair and recreation board in any county whose
2 population is 100,000 or more and less than 700,000 (currently Washoe County).
3 The board must consist of 13 members, including two members appointed by the
4 board of county commissioners, two members appointed by the governing body of
5 the largest incorporated city in the county (currently the City of Reno) and one
6 member appointed by the governing body of the next largest incorporated city in
7 the county (currently the City of Sparks). Those five members must appoint the
8 remaining eight members, of whom one must be a representative of banking or
9 other financial interests, and another of whom must be a representative of business
10 or commercial interests. Both of those members must be chosen from a list of
11 nominees submitted by the chamber of commerce of the largest incorporated city in
12 the county. Additionally, one member must be a representative of motel operators
13 and must be chosen from a list of nominees submitted by one or more associations
14 that represent the motel industry. (NRS 244A.601)

15 This bill revises the membership of such a county fair and recreation board and
16 reduces the size of the board from 13 to 9 members. This bill changes from two to
17 one the number of members appointed to the board by the board of county
18 commissioners and by the governing body of the largest incorporated city in the
19 county, respectively. Additionally, this bill deletes the provision providing for the
20 appointment of a member representing motel operators. This bill also deletes
21 the provisions providing for the appointment of a member representing banking or
22 other financial interests and another member representing business or commercial
23 interests. Instead, this bill requires the appointment of a member representing
24 interests related to tourism or other commercial interests or the resort hotel
25 business. Finally, this bill requires the members of the county fair and recreation
26 board to elect the Chair of the board from among the three members appointed by

27 the board of county commissioners and the governing bodies of the two largest
28 incorporated cities in the county, respectively.
