EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to taxation; authorizing certain qualified businesses in this State that own, operate, manufacture, service, maintain, test, repair, overhaul or assemble an aircraft or any component of an aircraft to apply to the Office of Economic Development for a partial abatement from certain property or sales and use taxes; revising the provisions governing the administration of the sales and use taxes to change the manner in which the taxes are required to be paid on tangible personal property purchased in the performance of certain contracts; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Existing law provides for the assessment of ad valorem taxes on certain real  
2 and personal property and the assessment of certain taxes on the gross receipts from  
3 the sale, storage, use or other consumption of certain personal property. (Chapters  
4 361 and 374 of NRS) **Section 1** of this bill authorizes an owner of a qualified  
5 business or a person who intends to locate or expand a qualified business in this  
6 State to apply to the Office of Economic Development for a partial abatement of  
7 certain personal property or sales and use taxes. **Section 1** requires the Office of  
8 Economic Development to approve a partial abatement for a period of not more  
9 than 20 years for certain qualified new and existing businesses that own, operate,  
10 manufacture, service, maintain, test, repair, overhaul or assemble an aircraft or any  
11 component of an aircraft.

12 **Sections 4 and 5** of this bill revise provisions governing the administration of  
13 the sales and use taxes (chapters 372 and 374 of NRS) to provide that a business,  
14 rather than a customer of such a business, is required to pay the sales or use tax on  
15 any tangible personal property purchased in the performance of a contract for the  
16 ownership, operation, manufacture, servicing, maintenance, testing, repair,  
17 overhaul or assembly of an aircraft or any component of an aircraft. For any such  
18 business which has been granted a partial abatement from sales and use taxes  
19 pursuant to **section 1**, the sales or use tax imposed on the business, other than the  
20 taxes imposed pursuant to the Sales and Use Tax Act would then be abated.

21 Existing law exempts from certain sales and use taxes the gross receipts from  
22 the sale of aircraft and major components of aircraft to an air carrier that maintains  
23 its central office and bases a majority of its aircraft in Nevada. (NRS 372.317) A  
24 related provision governs the administration of the exemption. (NRS 372.726) In  
25 1997, the Nevada Supreme Court held that the exemption was unconstitutional  
26 because it discriminated against interstate commerce. (*Worldcorp v. State, Dep't of*  
27 *Taxation*, 113 Nev. 1032 (1997)) **Section 12** of this bill repeals both provisions.
