AN ACT relating to child welfare; authorizing certain employees of an agency which provides child welfare services to request the education records of a pupil who is in the custody of the agency; requiring a public or private school or school district to comply with such a request; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing state and federal law prohibits a public school from releasing the
2 education records of a pupil without the written consent of the parent of the pupil,
3 except in certain circumstances. (20 U.S.C. § 1232g; NRS 392.029) Federal law
4 creates an exception to that prohibition for a representative of a state or local child
5 welfare agency who has a right to access a pupil’s case plan. (20 U.S.C. §
6 1232g(b)(1)(L)) **Section 1** of this bill authorizes an employee of an agency which
7 provides child welfare services who has access to the case plan of a child in the
8 custody of the agency to request from a public or private school or school district
9 any records concerning the child. **Section 1** also prohibits an agency or employee
10 who requests such records from disclosing the records except as authorized by law.
11 **Sections 6 and 7** of this bill require a public or private school or school district to
12 comply with such a request, and provide that any willful failure to comply is
13 punishable as a misdemeanor.
