

CHAPTER.....

AN ACT relating to legislative measures; revising requirements relating to requests for the drafting of legislative measures submitted to the Legislative Counsel; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Commencing on July 1 preceding each regular session and every week thereafter until the adjournment of the Legislature sine die, the Legislative Counsel is required under existing law to prepare a list of all requests for the drafting of legislative measures received by the Legislative Counsel. The requests are required to be listed numerically by a unique serial number which is required to be assigned by the Legislative Counsel for the purposes of identification in the order that the Legislative Counsel received the requests. (NRS 218D.130) Existing law prohibits the Legislative Counsel from assigning a number to a request to establish the priority of the request until sufficient detail has been received by the Legislative Counsel to allow complete drafting of the legislative measure. (NRS 218D.100, 218D.150, 218D.155, 218D.160, 218D.175, 218D.190, 218D.205, 218D.210, 218D.220) This bill eliminates the prohibition against the Legislative Counsel assigning a number to a request until sufficient detail has been received. Therefore, the Legislative Counsel is required to assign a number to a request in the order in which the request is received.
