AN ACT relating to elections; providing that a voter may not be compelled to reveal under oath how he or she voted at any election; providing for the inspection during a contested election of certain records printed on paper of ballots voted by using a mechanical recording device; revising the method of counting ballots during a recount of an election; amending provisions specifying grounds upon which any election may be contested; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

- 1 **Section 1** of this bill provides that a voter may not be compelled to reveal under
- 2 oath how he or she voted at any election.
- 3 Under existing law, voted ballots, rejected ballots, spoiled ballots, challenge
- 4 lists, certain records printed on paper of ballots voted by using a mechanical
- 5 recording device and stubs of ballots used must be deposited in the vaults of the
- 6 county clerk. The voted ballots are not subject to inspection by anyone, except in
- 7 cases of a contested election, and then only by the judge, body or board before
- 8 whom the election is being contested or by the parties to the contest, jointly,
- 9 pursuant to an order of such judge, body or board. (NRS 293.391) **Section 2** of this
- 10 bill clarifies that records printed on paper of ballots voted by using a mechanical
- 11 recording device also are not subject to inspection by anyone, except in cases of a
- 12 contested election, and then only by the judge, body or board before whom the
- 13 election is being contested or by the parties to the contest, jointly, pursuant to an
- 14 order of such judge, body or board.
- 15 Under existing law, if a recount of an election in a county or city that uses a
- 16 mechanical voting system is demanded, or if a recount of an election affecting more
- 17 than one county is demanded, an initial recount is done of ballots from 5 percent of
- 18 the total number of precincts that voted in the election, or at least three precincts

19 that voted in the election. If the initial recount shows a discrepancy of at least 1
20 percent or five votes, whichever is greater, a full recount of all ballots at the
21 election for the office or ballot question is done. (NRS 293.404) **Section 3** of this
22 bill deletes the provisions requiring the initial recount of 5 percent, or at least three,
23 of the precincts that voted at the election. **Section 3** provides instead that all
24 recounts must include a count and inspection of all ballots. **Section 3** further
25 provides that all ballots must be recounted in the same manner in which the ballots
26 were originally tabulated.

27 **Section 4** of this bill amends provisions specifying grounds upon which any
28 election may be contested. (NRS 293.410)
