Violation of this provision is a misdemeanor. (NRS 641C.950) **Section 6** of this bill authorizes the Board to impose disciplinary action against a person who: (1) violates this provision; or (2) engages in the practice of counseling problem gamblers with an expired, suspended or revoked certificate.

Section 3 of this bill authorizes the Board to impose certain sanctions, including an administrative penalty, against a person who: (1) provides services for which a license or certificate issued by the Board is required without such a license or certificate; or (2) falsely represents or implies that he or she has such a license or certificate.

Under existing law, only a licensed alcohol and drug abuse counselor is authorized to supervise a certified alcohol and drug abuse counselor intern. (NRS 641C.420) **Sections 4 and 5** of this bill additionally authorize a certified alcohol and drug abuse counselor who has been certified for at least 3 years and meets any other requirements prescribed by the Board to supervise such an intern.

Existing law requires an applicant for a certificate as an alcohol and drug abuse counselor intern to have completed not less than 30 hours of training specific to alcohol and drug abuse, which must include at least 6 hours of instruction relating to confidentiality and 6 hours of instruction relating to ethics. (NRS 641C.420)

Section 5 of this bill removes the requirement that an applicant must have completed not less than 30 hours of training specific to alcohol and drug abuse, but leaves in place the requirement that the applicant must have received at least 6 hours of instruction relating to confidentiality and 6 hours of instruction relating to ethics.
