

CHAPTER.....

AN ACT relating to state financial administration; extending the deadline for the issuance of certain general obligation bonds to protect, preserve and obtain the benefits of the property and natural resources of this State; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

At the general election held on November 5, 2002, the Legislature submitted to the voters of this State a proposal to issue general obligation bonds of the State to protect, preserve and obtain the benefits of the property and natural resources of this State in an amount not to exceed \$200,000,000. The Legislature declared that, with certain exceptions, the issuance of the bonds was necessary for the protection and preservation of the property and natural resources of the State and constituted an exercise of the constitutional authority to enter into contracts for those purposes. (Chapter 6, Statutes of Nevada 2001, 17th Special Session, p. 104) The Nevada Constitution limits the amount of debt of the State of Nevada to two percent of the assessed valuation of the State, but exempts from that limitation debt incurred for the protection and preservation of the State’s property or natural resources or for the purposes of obtaining the benefits thereof. (Nev. Const. Art. 9, § 3) The proposal was approved by the voters at the 2002 general election. Existing law limits the issuance or sale of bonds more than 6 years after an election that is required to authorize their issuance. (NRS 349.078) In 2007 and 2013, the Legislature made exceptions to this 6-year limitation on issuance by extending the period for the issuance of those bonds until December 31, 2011, and June 30, 2019, respectively. (Chapter 291, Statutes of Nevada 2007, p. 1090, Chapter 251, Statutes of Nevada 2013, p. 1055) This bill makes a further exception to the 6-year limitation on issuance by extending the period for the issuance of those bonds until June 30, 2024.
