AN ACT relating to crimes; revising provisions governing registration and community notification of juveniles adjudicated delinquent for committing certain sexual offenses; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law provides that a child who is adjudicated delinquent for committing
2 certain sexual offenses and who was 14 years of age or older at the time of the
3 commission of the sexual offense is required to register as a sex offender in the
4 same manner as an adult and is subject to community notification. (NRS 62F.220,
5 179D.0559, 179D.095) In addition, existing law prohibits the sealing of records
6 relating to a child while the child is subject to registration and community
7 notification as a juvenile sex offender. (NRS 62F.260) **Sections 18, 19 and 22** of
8 this bill remove and repeal those provisions, and **sections 4-14** of this bill enact
9 provisions governing the registration and community notification of juvenile sex
10 offenders.

11 **Sections 5 and 8** include certain offenses, called “aggravated sexual offenses,”
12 in the list of sexual offenses for which registration and community notification as a
13 juvenile sex offender is required. **Section 9** provides that a child who is adjudicated
14 delinquent for committing certain sexual offenses and who was 14 years of age or
15 older at the time of the commission of the sexual offense must: (1) register as a sex
16 offender with the juvenile court, the juvenile probation department or the Youth
17 Parole Bureau of the Division of Child and Family Services of the Department of
18 Health and Human Services, whichever entity is determined to be the appropriate

19 entity by the juvenile court; and (2) update his or her registration information not
20 later than 48 hours after certain changes to that information. **Section 9** also
21 requires: (1) the juvenile court to order the parent or guardian of the child to ensure
22 that the child complies with the requirements for registration as a sex offender; and
23 (2) the parent or guardian of the child to notify the entity with which the child is
24 registered as a sex offender and, if appropriate, the local law enforcement agency if
25 the child runs away or otherwise leaves the placement for the child approved by the
26 juvenile court.

27 Under **section 10**, the juvenile court is required to: (1) notify the Central
28 Repository for Nevada Records of Criminal History when a child is adjudicated
29 delinquent for certain sexual offenses so that the Central Repository may carry out
30 the provisions of law governing the registration of the child as a sex offender; and
31 (2) inform the child and his or her parent or guardian that the child is subject to
32 certain requirements for registration and community notification applicable to sex
33 offenders. **Section 10** further prohibits the juvenile court from terminating its
34 jurisdiction over the child until the juvenile court relieves the child from the
35 requirement to register as a sex offender or orders that the child continue to be
36 subject to registration and community notification after the child becomes 21 years
37 of age.

38 **Section 11** provides that upon a motion by a child, a judge of the juvenile court
39 may exempt the child from the requirements for community notification applicable
40 to sex offenders or exclude the child from placement on the community notification
41 website, or both. Under **section 11**, the judge may not exempt a child from
42 community notification or exclude the child from the community notification
43 website if the child is adjudicated delinquent for certain aggravated sexual offenses.
44 The judge must hold a hearing on such a motion and must not exempt the child
45 from community notification or exclude the child from the community notification
46 website unless, at the hearing, the judge finds by clear and convincing evidence that
47 the child is not likely to pose a threat to the safety of others. **Section 11** further
48 authorizes the judge to reconsider its decision on a motion after considering certain
49 factors. Finally, if the judge exempts a child from community notification or
50 excludes the child from placement on the community notification website, or both,
51 the judge must notify the Central Repository and the child must not be subject to
52 community notification or be placed on the community notification website.

53 **Section 12** requires a judge of the juvenile court to hold a hearing when the
54 child reaches 21 years of age or on a date reasonably near that date. If the judge
55 finds by clear and convincing evidence that the child has been rehabilitated and
56 does not pose a threat to the safety of others, the judge must relieve the child from
57 the requirement for registration and community notification as a sex offender.
58 However, if the judge determines that the child has not been rehabilitated or poses a
59 threat to the safety of others, the judge must order that the child is subject to
60 registration and community notification in the manner provided for adult sex
61 offenders.

62 **Section 13** provides that the juvenile court may not refer to a master any
63 finding, determination or other act required to be made by the juvenile court
64 pursuant to **sections 11 and 12**.
